Datasheet Mounting plate color: black - hole: M5

Produkt Deskription:

Picture:

Material	PA66
Weight	n.b
Dimensions LxBxH	56,5 x 27,4x9 mm
Color	Black
Application temperature	**-40°C bis 85°C**
Mounting	**screwed (double)**
Hole	M5
Flammability	PA66 HB according to UL 94
main feature	resistant to many oils, fats and fuels good heat resistance
Applications	aerospace engineering automotive industry

Create:	MH	**Date:**	05.12.2022
Check:	QM	**Version:**	0.1

CVEP Mounting plate - color: black - hole: M5 | **Part No.: 0300440**
