Datasheet CVEP Fuse / Relay Holder KIT with DIODE UNI fuse Design

Dimensions:

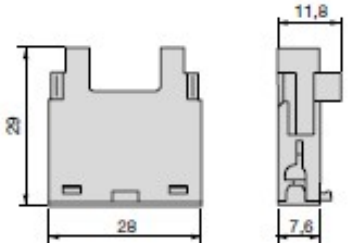

See datasheet Single Components

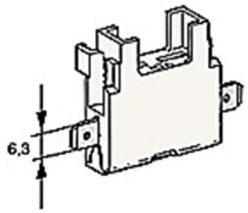

Product Description:

Fuse / Relay Holder KIT

PF-SD-0 xxx

Fuse holder
0300341

Dimensions	See datasheet single componenets
Applicable terminal male Tab size	2x 6,3mm
Material	PA66 Holder FR4 - LP Standard
Operating temperature	-40-140`C
Max current	depending on version
Max voltage	depending on version
Color	Holder: natural LP: green
Reach / RoHS declaration	Yes
Flammability rating	UL94

Connection and fixing:

Faston F630

Create:	M:H	**Date:**	15.02.2023
Check:	QM	**Version:**	0.1
