Datasheet CVEP - Rubber cap for Superseal connector housing 2-pin.

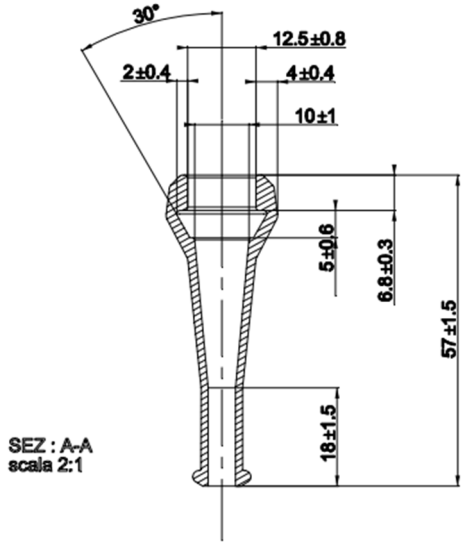

Product Description

The cap is used to protect the connection between sheathed cable and the plug

MAT: NEO 80-CR52

Dimensions:

Material	Neopren
Operating temperature	-45°C -100°C
Hardness testing method	Shore A
Color	black
Part Weight	0,0039kg
Reach / RoHS declaration	yes
Zoll Tarif Nr.	40069000

Create:	MH	**Date:**	10.01.2023
Check:	QM	**Version:**	0.1

CVEP Rubber cap for Superseal connector housing 2-pin. | **Part No.: 4520901.1**
