Datasheet CVEP- Battery Terminal (+)
M10 screw with anti-twist protection
35-120mm² (M10x20)

Product Description:
Female Standard fixing Cablelug

Protection
Touch Safety with Wire Contacts
IEC 60529 IP10
Environmental Sealing with Boots
IEC 60529 IP64

Dimensions:

Assembly Parts:

Bolt UNI 5588 DIN934
Material Steel; 8.8

“D” Head Screw
Material Steel ;6.8

Hexagon Head Screw
Material Steel; 6.8

Spacer Ring
Material Steel - see Dimensions

Material	SnCu 40Pb2
Cable section [mm²]	6-120
Max operating current [A]	1300
Front screw clamping force at battery pole [Nm]	14 vs M8 24 vs M10 40 vs M12
Operating Voltage	12V- 24V- 36V
Reach / RoHS declaration	Yes

Create:	M:H	**Date:**	20.02.2023
Check:	QM	**Version:**	0.1

CVEP Battery Terminal (+) - M10 Screw with anti-twist protection - 35-120mm² (M10x20) | **Part No.: 66032**
